### **AIDS IN OUR SPIRITUAL BATTLE (2)** (Previously Indulgences+Holy Water)

**Rosary:** This is our main weapon in our spiritual battle outside of the sacraments. Our Lady has asked us to pray it daily. She has assured us that it will defeat evil. May and October are special months but we should pray 5 decades daily and if possible more. Padre Piowhen not engaged almost continuously prayed the rosary. The rosary is contemplating the face of Jesus with Mary. It is to enter into the mysteries that we are contemplating. If at any time during the rosary God calls us to pause and contemplate we should do so. The goal of the rosary is for us to enter into the mysteries of the life of Christ. Sometimes we find ourselves concentrating on the words, sometimes on the mysteries and sometimes just gazing.

The promises attached to a true devotion to the rosary are enormous; e.g.

1. It is a powerful protection against hell; it will destroy vice and conquer sin.
2. It will withdraw the heart from the love of worldly things
3. The souls that is devoted to Mary by the saying of the rosary shall not perish.
4. A soul devoted to the rosary shall not die without the sacraments.
5. Devotion to the rosary is a great sign of predestination.

Very simple: Pray the rosary with devotion, regularly and the souls shall not be lost.

(To come: Fasting; Divine Mercy Chaplet; The Passion of Christ)

### SPUC IMPORTANT NOTICES

#### **Help stop DIY abortions**

During the Coronavirus pandemic unborn babies and their mothers have been at even greater risk of abortion. The Government's "pills through the post", brought in as Covid measure, means that over 23,000 women in England and Wales aborted their baby at home during lockdown. Please help us to spread the truth about DIY abortion and save women and babies from the tragedy of abortion.

Will you deliver pro-life information leaflets about DIY abortions door-to-door in your area? Every leaflet could make the difference to a vulnerable woman and save a baby's life. Please go to our [website](http://www.spuc.org.uk) to learn more and order some leaflets. Or you can order leaflets by calling SPUC on 020 7091 7091.

#### **Sign the petition to save the right to save lives**

Pro-abortion MPs in Parliament want to stop pregnant women getting help outside abortion clinics by calling for buffer zones. SPUC is campaigning to save the right for peaceful pro-life vigils to take place. Hundreds of children are alive today in this country because their mother met a loving pro-life person just before they walked into the abortion clinic. We must protect this vital work.

Please sign our petition to save the right to save lives. It only takes a minute of your time, but it could mean a lifetime for an unborn baby. You can sign the petition here: <https://spuc.org.uk/SaveTheRightToSaveLives>
