

Today we contemplate the Most Holy Trinity as Jesus introduced us to it. He revealed to us that God is love "not in the oneness of a single Person, but in the Trinity of one substance" (Preface). He is the Creator and merciful Father; he is the Only-Begotten Son, eternal Wisdom incarnate, who died and rose for us; he is the Holy Spirit who moves all things, cosmos and history, toward their final, full recapitulation. Three Persons who are one God because the Father is love, the Son is love, the Spirit is love. God is wholly and only love, the purest, infinite and eternal love. He does not live in splendid solitude but rather is an inexhaustible source of life that is ceaselessly given and communicated. To a certain extent we can perceive this by observing both the macro-universe: our earth, the planets, the stars, the galaxies; and the micro-universe: cells, atoms, elementary particles. The "name" of the Blessed Trinity is, in a certain sense, imprinted upon all things because all that exists, down to the last particle, is in relation; in this way we catch a glimpse of God as relationship and ultimately, Creator Love.

All things derive from love, aspire to love and move impelled by love, though naturally with varying degrees of awareness and freedom. "O Lord, our Lord, how majestic is your name in all the earth!" (Ps 8: 1) the Psalmist exclaims. In speaking of the "name", the Bible refers to God himself, his truest identity. It is an identity that shines upon the whole of Creation, in which all beings for the very fact that they exist and because of the "fabric" of which they are made point to a transcendent Principle, to eternal and infinite Life which is given, in a word, to Love. "In him we live and move and have our being", St Paul said at the Areopagus of Athens (Acts 17: 28). The strongest proof that we are made in the image of the Trinity is this: love alone makes us happy because we live in a relationship, and we live to love and to be loved. Borrowing an analogy from biology, we could say that imprinted upon his "genome", the human being bears a profound mark of the Trinity, of God as Love.

The Virgin Mary, in her docile humility, became the handmaid of divine Love: she accepted the Father's will and conceived the Son by the power of the Holy Spirit. In her the Almighty built a temple worthy of him and made her the model and image of the Church, mystery and house of communion for all human beings. May Mary, mirror of the Blessed Trinity, help us to grow in faith in the Trinitarian mystery.

Pope Francis proclaims "Year of St Joseph"

With the Apostolic Letter "Patris corde" ("With a Father's Heart"), Pope Francis recalls the 150th anniversary of the declaration of Saint Joseph as Patron of the Universal Church. To mark the occasion, the Holy Father has proclaimed a "Year of Saint Joseph" from today, 8 December 2020, to 8 December 2021.

CONFESSION and/or need to speak to Father

Please ring and book a time. Normally Father will be around in the church at the weekend times if you just simply want to catch him.

Prayer outside of normal times

Sometimes people will have an urgent need to visit the Church, light a candle and say a prayer. If this is the case again please give me a ring and it can be easily arranged. Even in lockdown, priests are available to help, absolve and fortify so please feel free to contact me.

A Couple of Reminders

If you have been to Church and subsequently contract the coronavirus could you please let myself or one of the stewards know so that we can notify the attendees.

The Sunday obligation by the authority of Bishop Patrick is still not in force which means you are not obliged to attend Sunday mass or an holiday of obligation.

If the priest is singing only the choir should make the responses and not the congregation.

Many thanks.
